- Peace Parade for Cameroon, led by Dr Susan Tatah, Saturday on the Festival ground attended by 15.000 amongst other – Tübingen Lord Major & African Diaspora

The Republic of Cameroon as focus country of 6th International Afrika Festival Tübingen from 23. – 26 July 2015 was total success with more than 65 Artist from 45 African countries, 30.000 visitors attending to showcase “The Arts, culture and economics of Cameroon known as “Africa in Miniature”

Every visitor proudly waving the Cameroonian Flag as symbol of German – Cameroonian historic moments, visitors shared incredible feedback on how much information they had about Cameroon for the first time in History.

The Spirit of Cameroon is a reflection of the whole continent Africa and we are more than proud to see how Africa and Cameroon 2015 is being projected in Germany “Dr Susan Tatah” talking to the press.

We look forward to connecting the future through showcasing each African country one after the other each year at the International Afrika Festival Tübingen.
