AND INITIATIVE OF DR SUSAN TATAH

Founder, Host, She Achievers Award Winner, Philanthropist

Dr. Susan Tatah is an influential leader, philanthropist, and visionary founder of *The Africa We Want e.V. Network*, (TAWWN) a nonprofit organization dedicated to promoting Africans in trade, culture, education, socio-economic development, and political awareness on a global scale. With a deep passion for empowering African communities, Dr. Tatah has spent over a decade fostering connections between Africans on the continent, the diaspora, and friends of Africa worldwide.

Founder and Host of Pan-African Daily TV

As the founder and host of *Pan-African Daily TV*, Dr. Tatah has created a powerful platform where African issues are discussed openly with experts, thought leaders, and community influencers. The channel has grown to become a leading voice for Pan-Africanism, promoting discussions on African development, politics, culture, and the role of the diaspora in shaping the continent's future.

Her vision for *Pan-African Daily TV* is to educate, inform, and mobilize Africans at home and abroad, helping to reshape the narrative surrounding Africa in global media. Through interviews and panel discussions, Dr. Tatah addresses key topics such as African governance, economic opportunities, youth and women empowerment, and the importance of African heritage. She followed worldwide by millions of Africans and others.

Leadership and Vision

As the driving force behind TAWWN, Dr. Tatah has developed numerous initiatives to highlight African intellectuals, foster economic growth, and promote African culture through global platforms. Her leadership has played a pivotal role in creating spaces where African voices are amplified, particularly through high-profile events such as the International *Afrika Festival* in Tübingen, Germany, which she has successfully hosted since 2007. This festival has grown into one of the largest and most impactful cultural gatherings celebrating African heritage in Europe. Currently she is launching the 1st African Diaspora Trade Fair Germany 2025, a platform for African women and youth in Business, Science and Technology ...

Advocacy and Impact

Dr. Tatah is a passionate advocate for African unity and Pan-Africanism. She continuously works to bridge the gap between African communities worldwide and emphasizes the importance of collaboration and knowledge-sharing. Through her platform *theafrikawewant.com*, she aims to redefine the narrative surrounding Africa by showcasing its rich cultural diversity, innovative spirit, and intellectual heritage.

Her focus on creating sustainable socio-economic opportunities for African youth, entrepreneurs, and intellectuals has made her a respected voice in international development and global advocacy.

Awards and Recognitions

Dr. Susan Tatah is a recipient of the prestigious *She Achievers Award*, recognizing her outstanding contributions to the empowerment of African women and her relentless efforts to promote African excellence. This accolade celebrates her as a role model for women in leadership and a driving force connecting Africans on the continent and in the Diaspora

Philanthropy and Giving Back

A dedicated philanthropist, Dr. Tatah net worth is estimated at 1billion euros, an investment made through her Volunteering for her organization since its inception in 2006. Her platforms have been self-funded through volunteering staffs and through Donations which has impacted access to education, information, identity of the African at home and abroad, enhancing economic empowerment across Africa and beyond. She believes in the transformative power of education and has been instrumental in providing a platform to African Voices, Intellectuals, Entrepreneurs enhancing mentorship, and development programs for African worldwide. She is highly respected and followed worldwide by both young and old

Global Recognition

Dr. Tatah's work has garnered global attention, making her a sought-after speaker and thought leader on African issues. She regularly participates in international conferences, sharing her insights on African development, diaspora engagement, and the role of culture and trade in socio-economic progress.

Legacy and Vision

Dr. Susan Tatah's enduring vision is to build a united Africa, the Africa we want to see where every individual has the opportunity to thrive, and African voices leading global conversation on trade, culture, politics, and economics. Through her philanthropic work and entrepreneurial spirit, she continues to inspire future generations of African leaders and change-makers.

Her journey is a testament to her unwavering commitment to the Africa we all aspire to see.

Vision for Africa

Dr. Tatah's ultimate vision is a globally connected, prosperous, and self-sustaining Africa. Through her various platforms, website: *theafrikawewant.com*, Pan-African Daily TV, 19. International Afrika festival and 1st African Diaspora Trade Fair Germany 2025, she strives to reshape Africa's image and empower Africans both on the continent and in the diaspora to lead their own development narratives.

Her relentless pursuit of African unity, combined with her passion for empowering the next generation of leaders, ensures her continued influence in global Pan-African movements.

Dr. Susan Tatah embodies leadership, empowerment, and resilience, paving the way for a brighter future for Africa and its diaspora worldwide.
